Letter 3/2024 to all ISSF Member Federations

Dear Colleagues,

We are grateful for all the Federations that have started to communicate with us. We hope that our coach education will be something valuable also for all the other federations as well.

Registration for the D Courses is now open on our website (www.issf-academy.com). Even if the application process may happen on individual basis, to receive the individual Coach License will still happen through the approval of national federation.

We are working hard with the existing Coach licenses, and the federations will receive a list of the valid coaches no later than 20th July.

ISSF Academy Board is having it's first meeting in 10 days. There are many important issues on the agenda, like the licenses of merited coaches, the annual fees and the use of new technology to make our processes more lean.

The next Letter will cover the topics that have been on the Agenda of the ISSF Academy Board.

Thank you for your cooperation and support.

In Helsinki 4th June 2024

With best regards,

Vesa Nissinen
ISSF Academy Director
